

## Press Conference Invitation

*Geneva, August 11th, 2016*

MMT SwissConnect in Switzerland hereby invites to attend a press conference in Plan-les-Ouates, Geneva that will take place on **Tuesday, September 6, at 4:30 pm.**

You are cordially invited for the presentation and cocktail.

Peter Stas and Philippe Fraboulet will present latest developments on the spin-out of Manufacture Modules Technologies Sarl. from the Frederique Constant Group.

Combining the very best of Swiss engineering and our passion for technology, MMT SwissConnect is heavily investing in new employees in Geneva for the ongoing research and development, helping to create the next generation of smart wearable and applications.

MMT will continue to be a key OEM Software/Hardware Supplier for the Swiss Watch Industry. The company is independent and has an inclusive Philosophy.

MMT has been inventing the new technologies that have helped shape the Horological Smartwatch Platform. Under it's trademark MMT SwissConnect, MMT will continue to innovate and will expand into the development and manufacturing of new modules and mobile applications. At the Press Conference, we will be presenting a preview of the SwissConnect Gym App, SwissConnect Analytics to keep track of accuracy of a mechanical watch collection and SwissConnect Password to keep passwords safe.

We wish you a warm welcome at:

**MMT SwissConnect**  
1st floor  
Chemin du Pré-Fleuri 5  
1128 Plan-les-Ouates  
Geneva - Switzerland

Yours sincerely, Philippe Fraboulet  
CEO, Manufacture Modules Technologies Sarl.
